

### Family Fun in Denali!

Denali National Park and Preserve

August 8 - 11, 2019

#### Course Description

Come explore Denali with us! Create lasting memories and help the whole family develop a deep love for Denali. You'll enjoy one day of guided activities with an Alaska Geographic educator while the other day will be yours to design with your family. Throughout the weekend we'll connect with nature through activities and stories, as well as build our outdoor skills. Packing list should include curiosity, a sense of adventure and a playful spirit! All families with children 5 years and older welcome!

#### Hiking Distances and Physical Fitness

Field courses are active learning experiences and take place off trail in Denali's wilderness. Hiking will be moderate over uneven tundra, forest, and river bar terrain, covering distances of approximately 3 miles round trip with as much as 1,000 feet of elevation gain. We will likely encounter wet tundra / forest conditions and stream crossings with water levels that are above hiking boots. **Participants should be in good physical condition.** If you are uncertain about your physical ability for this course, please contact us for more information.

#### Times and Location

Participants meet at the Murie Science and Learning Center, located at mile 1 of the Park Road. This course begins at 12:30 pm on Thursday and ends on Sunday afternoon.

#### Lodging and Meals

This course is based out of the Murie Science and Learning Center Field Camp, located 29 miles inside Denali National Park along the Teklanika River. The Field Camp includes rustic tent cabins and a common dining tent. Family-style meals are simple and healthy.

#### Accreditation

The University of Alaska Anchorage offers one professional development credit (level 500) for an additional \$74 fee. The 10% membership discount does not apply to the credit fee.

#### Questions?

More detailed information about this course can be found by opening the other documents in the "course details" tab on the website.

If you have other questions, please contact the Murie Science and Learning Center by email [courses@alaskageographic.org](mailto:courses@alaskageographic.org) or by calling (907) 683-6432.
